“If there’s an American Pinot Noir more profound, I haven’t tasted it...”

- Matt Kramer

OCEANSIDE ELEVATIONS

Flowers wines are a reflection of the unique climate, soils, ocean proximity, exposures and rugged nature of the extreme Sonoma Coast. The Pacific Ocean is just 2 miles from our estate vineyards generating cooling sea breezes and coastal fog to create an ideal growing environment for Pinot Noir and Chardonnay. Minimal intervention in the cellar leads to purity of flavor, complexity and true balance of wines. The result is distinctive minerality, fresh acidity, bright fruit character and a hint of coastal salinity. Wines that speak to place.

2014 FLOWERS SONOMA COAST PINOT NOIR

Deep garnet hue. Aromas of wild strawberries, cranberries, savory dried herbs, violet and forest floor lift elegantly from the glass. On the palate, flavors of Bing cherry, raspberry, and pomegranate are framed by fine-grained tannins, coastal minerality and bright natural acidity.
